

Vor Durchsicht der Liste bitte unbedingt lesen: Die folgenden Bücher stammen aus der Sammlung von 3 Eisenbahnfreunden (unter anderem meiner eigenen). Den Zustand der Bücher habe ich versucht fair zu beschreiben. Einige Bücher haben ein Adress-Etikett vom Vorbesitzer, sind aber sonst in ausgezeichnetem Zustand. Bei einem Teil der Bücher habe ich schon begonnen, Preise zu suchen und mit anzugeben. Das ist bei der Anzahl der Bücher recht aufwendig, daher können Sie bei einer möglichen Anfrage auch den Preis nennen, den Sie für angemessen halten. Alle von mir angegebenen Preise sind verhandelbar, es sollte auf jeden Fall das günstigste Angebot auf dem Markt sein, etwa 30% unter dem anderer Antiquariate (Preise kann man bei Amazon, ZVAB, Eurobuch, ABE-Books usw. suchen und finden).

Bitte berücksichtigen Sie auch, dass diese Liste den Buchbestand von Anfang Februar 2020 hat, ein Zwischenverkauf oder Fehler sind möglich. Ich versuche die Liste aber von Zeit zu Zeit zu aktualisieren.

Diese Liste enthält im ersten Teil Bücher (gegliedert nach Logging/Industrial und öffentlichen Bahnen), am Schluß finden Sie kleinere Broschüren, Magazine und Zeitschriften.

Gern gebe ich auf Anfrage auch nähere Informationen zu den einzelnen Titeln.
